

Third Walnut Creek Mutual
Building Maintenance Committee

The Building Maintenance Committee duties are to monitor Mutual Operations management of building maintenance work in Third Walnut Creek Mutual and report observations to the Board. Includes (without limitation) routine maintenance, rehabilitation, hardscape work, public works, and maintenance in connection with alterations. Also to advise the Board in related matters such as building inspections and maintenance standards.

The Building Maintenance Committee meets at 10:00 a.m. in the Board Room at the Gateway Complex the Thursday before the Regular Third Mutual Board Meeting

To confirm meeting time call 988-7718.
